**WILLIAM B. RUGER CHAIR OF NATIONAL SECURITY ECONOMICS:** AMB John A. Cloud, Chair

The William B. Ruger Chair was established to support research and study on the interrelationships between economics and security.

- Economics and Security: Resourcing National Priorities, William B. Ruger Chair of National Security Economics Workshop, Newport, RI. A major accomplishment was the successful execution and completion of the annual William B. Ruger Chair Workshop on Economics and Security: Resourcing National Priorities and the publication of a monograph of the proceedings. This workshop provided a forum for a select group of national security professionals to evaluate and recommend economic and security choices for the future.
- William B. Ruger Chair Support of Faculty Research and Travel. Support was provided for Professor Terence Roehrig to research and write a book on South Korea, Japan and the U.S. Nuclear Umbrella: *Extended Deterrence and Nuclear Weapons in the Post-Cold War World*.
- William B. Ruger Chair Support of Regional Expert Lectures. This program brings distinguished regional experts to lecture in support of the college's initiatives to enhance regional awareness. Three regional lectures of opportunity were funded by the Ruger Chair.
